

A NEWSLETTER FOR PORTOFINO RESORT HOMEOWNERS (GLRCC)

November 2016

INN TOUCH

EMAIL ADDRESSES - PLEASE

We ask that all of our members keep us up to date with their e-mail address changes. This is now more important than ever, as all newsletters and updates are emailed.

Dear Members,

By now, most of you are aware of our joint venture with Paradise Resort Club (PRC) based out of Canmore, Alberta. Our original thought was to make this a mandatory upgrade for all members in order to keep the cost down but I have renegotiated our affiliation with PRC to make it a voluntary upgrade. We have jointly designed a membership add on called **Paradise Elite**. This upgrade will bring great value to those wishing to add to their existing membership benefits.

Paradise Elite does not change your ownership at Portofino, it actually greatly enhances it. By becoming an Elite member you'll have access to: **Grande Rockies Resort** and **Sunset Resorts Canmore**. (Split weeks available at home resorts).

Growing network of associated resorts which include **Fairmont Mountainside**, Fairmont, BC,

Sooke Harbor and Marina, Sooke, BC, **Imperial Hawaii Resort**, Oahu, Hawaii and **Lawai Beach Resort**, Kauai, Hawaii.

Full acceleration of your existing weeks. Why wait for 40 years to get full value of your membership? Use your existing weeks from the end of your program today (up to 10 weeks a year).

Complete benefits through Interval International including Club Interval Gold points for short stays, extended stays and extra weeks. Access to top names in the resort industry. There are more than 3000 resorts worldwide and more than 50 in Western Canada alone!

As a **Paradise Elite** member you will also have full access to PRC's member service department for all Canmore reservations, associated resorts and Interval International exchanges.

In order to move forward with this affiliation I have asked the representatives from PRC to call each of you individually so you can have all the information and ask all the questions needed to make your final decision. We will also send the survey out one more time to ensure we have everybody's input.

We feel this is the best move for anyone wanting to enjoy greater benefits and flexibility from their existing Portofino membership.

We wish you a great November, enjoy Christmas preparations!

Stay in touch!
Andrea and Team
